## Darling, You Know I Wouldn't Lie

Hank Williams Jr.

Here I am late again for the last time And like I promised I just told her goodbye Please believe me for this time, it's really over And darling you know I wouldn't lie

Didn't I come and tell you about her How temptation lured she and I But now I know it was only fascination And darling you know I wouldn't lie

I had to led her down easy as slow as I could After all she's got feelings too But it took a little longer than I thought it would But this time she knows we're really through

She wanted to hold me forever And this lipstick shows her final try And these tears on my shoulders are provin' that she failed And darling you know I wouldn't lie
