I'll Think Of Something

Hank Williams Jr.

I don't know how I'll get her ioff my mind But give me time and I'll think of something I can't say today that I'm alright But by tonight I'll think of Something

I'll find so many things to do
That I won't have the time to think of her
And then if she's still on my mind
I'll try to drink enough to drown the hurt
And if that don't work I'll think of something

Where do I go for love that I still need Now that I'm free I'll think of something And if someday by accident we meet And I can't speak I'll think of something

If I can't say a word to her I'll blame it on this lump that's in my throat And standing there what will I do To hide my love enough that it won't show I don't know I'll think of something Well, I don't know I'll think of something
