

## Losin' You

Hank Williams Jr.

Well I told you once and I told you twice and I ain't gonna ten  
ded to you no more

You don't do nothin' that I tell you anyway

And now you're tellin' me to walk out your door

Ain't no denyin' you been lyin' ain't no mistakin' my heart is  
breakin'

Ain't do much choosin' that I'm losin' losin' you

I finally find out the way you are and it's so hard for me to t  
ake

I can't understand your feelin's I wish I had known before it w  
as too late

Ain't no denyin'...

Ain't no denyin'...

Ain't no denyin'...
