

Lyin' Jukebox

Hank Williams Jr.

Well, I've been sittin' here listenin'
To your songs all night long
Oh, you think you've got it all figured out
You don't know at all

Everything I've heard from you
It's all a pack of lies
I wouldn't spend another quarter
For what you've said tonight

Lyin' jukebox, ain't you got a song
That tells the truth I didn't do her wrong
Lyin' jukebox, ain't a word of it so
You know I didn't leave her
That woman made me go

Well I think you've already said way too much
And I've had way too many rounds
I never fought a jukebox before
But it's time to hit you down

You've made a whole lotta accusations
Without one bit of proof
And if you say I cheated one more time
I'll pull the plug on you

Lyin' jukebox, ain't you got a song
That tells the truth I didn't do her wrong
Lyin' jukebox, ain't a word of it so
You know I didn't leave her
That woman made me go
You know I didn't leave her
That woman made me go
