

New Orleans

Hank Williams Jr.

Well back in high school I was known as Rockin' Randall
And our big number was called the Hey Song

I better hey hey hey yeah (better hey hey hey yeah)
I better hey hey hey yeah (better hey hey hey yeah)

Well come on everybody take a trip with me
Way down to Mississippi down to New Orleans
Yeah they got a honeysuckle bloomin' on a honeysuckle vine
And oh it's all bloomin' there all the time
Every southern belle is a Mississippi queen
Down to Mississippi down to New Orleans

I said a hey hey hey yeah (I said hey hey hey yeah)
I better hey hey hey yeah (better hey hey hey yeah)

Well come on take a stroll down to Basin street
And listen to the music with that Dixieland beat
Well we got magnolia blossoms in the air
And you ain't been to heaven till you been there
We got Spanish moss hangin' from a big oak tree
Down in Mississippi down in New Orleans

I said a hey hey hey yeah (said hey hey hey yeah)
I said look out try a hey hey yeah (hey look out try hey hey ye
ah)

So come on everybody take a trip with me...

I said a hey hey hey yeah (said hey hey hey yeah)
I said look out try a hey hey yeah (hey look out try hey hey ye
ah)

So come on everybody take a trip with me...
