

## Now I Know How George Feels

Hank Williams Jr.

I was all dressed up like Buffalo Bill  
I thought I was goin' huntin' in the hills  
And I was informed I was gonna make some records in Nashville  
Now I think I know how George feels

Between the in-laws, the outlaws, cops and the wives  
They thought they had me occupied  
But you know I don't go for that kind of deal  
Now I think I know how George feels

Now I think I know how George feels  
They been watchin' ol' Hank mighty close in Nashville  
Oh keep an eye on him don't let him get away  
Cause he's gonna make us some money today  
Now I think I know how George feels

Well I told them I had to go to the bathroom  
Then I knocked out a window with my cowboy boots  
The next thing I knew I was runnin' through the Hall of Fame  
There on the sidewalk read my daddy's name

I found a Cadillac and a pickup then  
But the keys were gone to both of them  
Then oh Lord I saw a beautiful sight  
They were cuttin' the grass at the Hall of Fame that night

Well I slipped him a fifty-dollar bill  
And I grabbed that ridin' lawnmower wheel  
I rode it right on down interstate 65  
Then I thumbed a ride with a blonde to the Florida line

Now I think I know how George feels...

Well me and her's down here fishin' on the lake  
They're looking for me in two or three states  
She's been giving me some special fishin' skills  
And George I hope you know just how old Hank feels

Now I think I know how George feels...  
Now I think I know how George feels
