

Paying on Time

Hank Williams Jr.

I'm sure that I won't be your first or your last, I'm sure I'm just one of many. You are the kind that would make a man ask, does she love me or this money?

But I'll pay whatever the cost. Trying to get back part of me that I lost. I'll stand in line, paying on time for you.

I guess that it's true that most men are weak, they just can't make it alone. They like to be known by the women they keep, instead of one woman at home.

So I'll pay whatever it takes. Trying to get back part of my younger days. Yeah I'll stand in line paying on time for you.

So I'll pay whatever it takes. Trying to get back part of my yesterday. Yeah I'll stand in line, I'll pay on time for you.
