

To Love Somebody

Hank Williams Jr.

There's a light, certain kind of light
That never shines on me
I want my life to be lived with you
I want to live with you

There's a way, everybody say
To do each and every little thing
But what does it bring if I ain't got you
If I ain't got you baby

You don't know what it's like
Baby, you don't know what it's like
To love somebody
To love somebody like I love you

There's a brain, I see your face again
And I know my frame of mind
You ain't got to be so blind
Because I'm blind so very blind

But babe I'm a man, can't you see that I am
I live and I breathe for you, what good does it do?
'Cause I ain't got you, I ain't got you, baby

You don't know what it's like
Baby, you don't know what it's like to love somebody
To love somebody like I love you
You don't know what it's like, baby

You don't know what it's like to love somebody
Love somebody like I love you
Baby, you don't know what it's like, baby
You don't know what it's like
