

## What's on the Bar

Hank Williams Jr.

Whats on the movies  
Whats on the tube  
Whats on a woman's mind  
I don't have a clue  
Whats with this cell phone  
What the hell is wrong  
With my car  
I think I'll go in here  
Check it out  
And see whats on the bar

What is the game plan  
Whats with this job  
Whats the problem at home  
Thats the problem by far  
Whats a matter with me  
Drinking friends let me  
Tell you the truth  
I've been close to love  
But no cigar  
So tell me whats on the bar

Do you have a little Jim Beam  
Do you have a little green Jack  
Do you have a little coke and ice  
So I can knock it on back  
And when I get back from the dance floor  
My number one prior  
Is whats a girl  
And whats on the bar

Can you make a Margarita  
Do you have a glass tall  
Do you have a bad that knows  
How to play an old  
Jimmy Reeves song  
Would you like to know the hot spots  
The best places by far  
Can't recommend whats on the menu  
But I know whats on the bar

Whats on your mind  
Whats in your heart  
Well thats the difference in a  
Happy kind of life  
Or just falling apart  
Do you wanna know the hot spots  
I know 'em near and far  
I don't know whats on the menu  
But I know whats on the bar

Do you have a little Jim Beam  
Do you have a little green Jack  
Do you have a little coke and ice  
So I can knock them both back  
And when I get back from the dance floor  
My number one prior

Is hello baby  
And whats on the bar  
Whats a girl  
And whats on the bar
