

# When You're Tired of Breaking Other Hearts

Hank Williams Jr.

When you're tired of breaking other hearts  
Won't you come back again and break mine?  
When you're tired of home and darlin'  
And the love light no longer shines

When your dream world falls around you  
And you sit by yourself and pine  
When you're tired of breaking other hearts  
Won't you come back again and break mine?
