## **Whiskey Bent and Hell Bound**

## Hank Williams Jr.

I've got a good woman at home, who thinks I do no wrong But sometimes Lord she just ain't always around And you know that's when I fall, I can't help myself at all And I get whiskey bent and hell bound

Play me some songs about a ramblin' man, put a cold one in my h and 'Cause you know I love to hear those guitar sounds Don't you play 'I'm So Lonesome I Could Cry' 'Cause I'll get all balled up inside And I'll get whiskey bent and hell bound

Sure enough about closing time, 'bout stoned out of my mind And I end up with some honky tonk special I found Just as sure as the morning sun comes thinking of my sweet girl at home And I need to get whiskey bent and hell bound

Play me some songs about a ramblin' man put old Jim Beam in my hand 'Cause you know I still love to get drunk and hear country soun ds But don't you play 'Your Cheatin' Heart' That'll tear me all apart I'll get whiskey bent and hell bound

Yeah, old Hank's songs always make me feel low down
