

Women I've Never Had

Hank Williams Jr.

I like to play my music and have good time
I love to hear no train rolling down the line
I am into happy and I don't like sad
I like to have women I never had

I'll take a little smoke and a lot of wine
I get high and I call old friends of mine
I like the sweet young things and Old Grandad
And I like to have women I've never had

I like to ride my hoses and shoot my gun
You know a cowboy's work is just never done
I am in to basics and I don't like fads
And I like to have women I never had

Hey, I don't mean to ever do anybody no wrong
I was just born the son of a singer of songs
I do things that makes some people mad
And I like to have women I never had
