Women I've Never Had

Hank Williams Jr.

I like to play my music and have good time I love to hear no train rolling down the line I am into happy and I don't like sad I like to have women I never had

I'll take a little smoke and a lot of wine I get high and I call old friends of mine I like the sweet young things and Old Grandad And I like to have women I've never had

I like to ride my hoses and shoot my gun You know a cowboy's work is just never done I am in to bacics and I don't like fads And I like to have women I never had

Hey, I don't mean to ever do anybody no wrong I was just born the son of a singer of songs I do things that makes some people mad And I like to have women I never had
