

You Win Again

Hank Williams Jr.

What can I do, you win again, again

The news is out all over town
That you've been seen, oh, runnin' around
I know that I should leave but then
I just can't go, you win again

This heart of mine
Could never see what everybody knew but me
Just trusting you was my great sin
What can I do, you win again

I'm sorry for your victim now
'Cause soon his head like mine will bow
He'll give his heart but all in vain
And someday say you win again

You have no heart you got no shame
You take true love and give the blame
I guess that I should not complain
I love you still, you win again
