

My Son Calls Another Man Daddy

Hank Williams

Tonight my head is bowed in sorrow
I can't keep the tears from my eyes
My son calls another man daddy
The right to his love I've been denied.

My son calls another man daddy
He'll ne'er know my name nor my face
God only knows how it hurts me
For another to be in my place.

Each night I laid there in prison
I pictured a future so bright
For he was the one ray of sunshine
That shone through the darkest of nights.

My son calls another man daddy
He'll ne'er know my name nor my face
God only knows how it hurts me
For another to be in my place.

Today his mother shares a new love
She just couldn't stand my disgrace
My son calls another man daddy
And longs for the love he can't replace.

My son calls another man daddy
He'll ne'er know my name nor my face
God only knows how it hurts me
For another to be in my place.

My son calls another man daddy
He'll ne'er know my name nor my face
God only knows how it hurts me
For another to be in my place.
