

## Pan American

Hank Williams

I have heard your stories about your fast trains  
But now I'll tell you about one all the southern folks have seen  
She's the beauty of the southlands listen to that whistle scream  
It's that pan american on her way to new orleans.

She leaves cincinnati headin' down that dixie line  
When she passes that nashville tower you can hear that  
Whistle whine  
Stick your head right out the window and feel that southern breeze  
You're on that pan american on her way to new orleans.

If you're ever in the southlands and want to see the scenes  
Just get yourself a ticket on that pan american queen  
There's Louisville nashville montgomery the capital of alabama  
You pass right through them all when you're new orleans bound.

She leaves cincinnati headin' down that dixie line  
When she passes that nashville tower you can hear that  
Whistle whine  
Stick your head right out the window and feel that southern breeze  
You're on that pan american on her way to new orleans.
