

# Please Don't Let Me Love You

Hank Williams

Oh! Plea-ease - don't let me love you  
Just because I'm feelin' blue  
And Plea-ease - don't let me kiss you  
'Cause I know you'll be untrue.

Because you're sweet dear, I want to love you  
Plea-ease - stay away from my heart  
And Plea-ease - don't let me love you  
'Cause I know you'll break my heart.

Oh! Plea-ease - don't call me darlin'  
When I know you don't love me  
And Plea-ease - don't whisper sweetheart  
For I know it just can't be

When I'm lonely, I want you only  
Where is the dream I once knew  
Oh! Plea-ease - don't let me love you  
'Cause I know you'll be untrue.
