

Empower

Hanker

Silver eagles
Soaring up into the Emyrean
Crashing down
The giants to the ground, so long freedom!

Golden eagle
Swearing a revenge through the Nation
Iron eagles
Flying overseas empowered for vengeance

Why? For I am not the only one to
Cry! There must be a way

Freedom ain't a way
As for love we shouldn't pay
Empower yourself
Empower yourself
for the new Dawn

Evildoers
Hiding underneath, soiling mountains
Iron eagles fighting overseas
Empowered for freedom

But freedom by my way
And love along the way
Empower yourself
Empower yourself
For the new Dawn
