

# Pay No More

Hanker

Everyday it's all the same  
People keep screaming at me  
They blow my mind, burn my eyes  
Break my heart  
With words that hurt inside  
Makes me afraid

Every night before I sleep  
It's like a movie in my head  
I'm fearless, I'm so strong  
I hit'em, beat'em  
And I sweep'em all  
They're all afraid

I've got to save my mind  
'Cause I don't wanna pay anymore

Pay no more  
Pay no more  
Pay no more

But when I wake up, it's still the same  
I see them all laughing at me  
Things are getting ever harder  
Life's not such  
As my dreams are  
It hurts inside

I've got to speak my mind  
'Cause I don't wanna pay anymore

Pay no more  
Pay no more  
Pay no more  
Pay no more
