

# Point of No Return

Hanker

You feel like screaming  
You feel like crying  
You want to go yet you can't leave

You feel like frowning  
You feel like drowning  
You want to die yet you can't live

Oh! God I'm falling, I'm falling down...

On the edge! On the edge!  
Point of no return  
Edge! On the edge!  
Point of no return

You feel like hoping  
You feel like trying  
You want to win, you mustn't lose

Special:  
I want me back! I need me back!
