

Point of No Return

Hanker

You feel like screaming
You feel like crying
You want to go yet you can't leave

You feel like frowning
You feel like drowning
You want to die yet you can't live

Oh! God I'm falling, I'm falling down...

On the edge! On the edge!
Point of no return
Edge! On the edge!
Point of no return

You feel like hoping
You feel like trying
You want to win, you mustn't lose

Special:
I want me back! I need me back!
