Hanker

I've tried so hard to read your lines
Should I look deeper?
I've cried so hard asking you why
Should I scream louder?

Oh! Can't you see, no! Life ain't what it should be
Oh! We might be mistaken

I've tried so hard to compromise
Should I try harder?
I've cried so hard telling you why
Could I be a liar?

I want to know! I need to know!
I want to know! I need to know!

Read between the lines my son!
