

Tell Me What To Do

Hanna Pakarinen

Lately, I've spent too many days dead on the ground
Lately, I've found myself too many times from Lost and Found
Lately, I've only felt good when there's dancing around
Lately, when I wake in the morning, in my head there's this ticking sound

Tick-tick, tick-tick

Tell me what to do now if I go crazy
Tell me what to do now if I'll go mad
Tell me what to do to get my act back together before I'm crazy
'Cause I can't go on
No, I can't go on like this

Lately, be working night and day I've been boss around
Lately, I've learned to make a lot of sound without a noise
Lately, I've done my best not to lose my head
Lately, I can tell by the word of mouth the things I've left unsaid

Tell me what to do now if I go crazy
Tell me what to do now if I'll go mad
Tell me what to do to get my act back together before I'm crazy
'Cause I can't go on like this
Tell me what to do now if I go crazy
Tell me what to do now if I'll go mad
Tell me what to do to get my act back together before I'm crazy
'Cause I can't go on
No, I can't go on like this
