Butterfly Fly Away

Hannah Montana

You tucked me in, turned out the light Kept me safe and sound at night Little girls depend on things like that

Brushed my teeth and combed my hair Had to drive me everywhere You were always there when I looked back

You had to do it all alone
Make a living, make a home
Must have been as hard as it could be

And when I couldn't sleep at night Scared things wouldn't turn out right You would hold my hand and sing to me

Caterpillar in the tree
How you wonder who you'll be
Can't go far but you can always dream

Wish you may and wish you might Don't you worry, hold on tight I promise you there will come a day Butterfly fly away

Butterfly fly away, butterfly fly away Flap your wings now you can't stay Take those dreams and make them all come true

Butterfly fly away, butterfly fly away
We've been waiting for this day
All along and knowing just what to do
Butterfly, butterfly, butterfly fly away

Butterfly fly away Butterfly fly away
