

Good And Broken

Hannah Montana

Are you overloaded
Candycoated
Your life's imploded now
There's a risk worth taking
A pain worth aching
A pain worth aching
On this hollow ground
We can Let go
Don't go hold on to all of life's hardest parts
When we think of stoppin'
Let's keep on rockin'
To the rhythm of our hearts
We can
We can break outta here
Jump on over there
Where the air is clearer
We can
forget the pace
win our own race
Become a broken chain, yeah
We are broken chains, yeah
Good and broken
Find the magic
Go and grab it
Your fate is in your hands
Come on, find a reason to believe in
Just tell yourself we can
We can
We can break outta here
Jump on over there
Where the air is clearer
We can
forget the pace
win our own race
Become a broken chain, yeah
We are broken chains, yeah
Good and broken
Good and broken
Get off your seat
On your feet
Raise your hands
Feel the beat
Let it go
Lose control
Feel it in your soul
Don't you know what you can do
If you have faith in you
Let's not be invisible
There's no red light in life
Let's just go
We can
We can break outta here
Jump on over there
Where the air is clearer
We can
forget the pace
win our own race

Become a broken chain, yeah
We are broken chains, yeah
Good and broken
, yea-ea-ea-eah
We can
We can

We can
We can
We can, oh yeah
We can
We can
We can
We can
We can
we can
We can
We can
We can
oh, We can
Good and broken
