

I Learned from You

Hannah Montana

Ooh, yeah

I didn't wanna listen to what you were sayin'
I thought that I knew all I need to know
I didn't realize that somewhere inside me
I knew you were right but I couldn't say so

And I can take care of myself
Yeah, you taught me well

I learned from you that I do not crumble
I learned that strength is something you choose
All of the reasons to keep on believin'
There's no question, that's a lesson, that I learned from you

We always don't agree on what is the best way
To get to the place that we're going from here
But I can really trust you, and give you the distance
To make your decisions without any fear

I'm grateful for all of the times
You opened my eyes

I learned from you that I do not crumble
I learned that strength is something you choose
All of the reasons to keep on believin'
There's no question, that's a lesson, I learned from you

You taught me to stand on my own
And I thank you for that
You saved me and made me

And now that I'm looking back
I can say

Yeah

I learned from you that I do not crumble
I learned that strength is something you choose
All of the reasons to keep on believin'
There's no question, that's a lesson, I learned from you

I learned from you, I learned from you
I learned that strength is something you choose
All of the reasons to keep on believin'
There's no question, that's a lesson that I learned from you
Yeah, yeah, I learned from you
