

If We Were A Movie

Hannah Montana

Uh oh
There you go again talking cinematic
Yeah you!
You're charming, got everybody starstruck
I know
How you always seem to go
For the obvious instead of me
But get a ticket and you'll see

/

If we were a movie
You'd be the right guy
And I'd be the best friend
That you'd fall in love with
In the end we'd be laughing
Watching the sunset
Fade to black
Show the names
Play that happy song

Yeah, yeah
When you call me
I can hear it in your voice
Oh, sure!
Wanna see me
And tell me all about her
La La
I'll be acting through my tears
Guess you'll never know
That I'll sure win
An Oscar for this scene I'm in

chorus

Wish I could tell you there's a twist
Some kind of hero in disguise
And we're together
It's for real
Now playing
Wish I could tell you there's a kiss
Like something more than in my mind
I see it
Could be amazing
(Could be amazing)
