

# Let's Do This

Hannah Montana

I rode all night on a big old bus  
You came a long way to be with us  
You paid good money  
To see a show  
Ya, lets get ready  
Cause here we go  
Get on your feet, 'cause I'm plugged in  
So come on, let's do this

I turn it on  
I crank it up  
I'll show you all what I'm made of  
I'll get it loud  
I'll wear it out  
I'll bring the roof in this house down  
I know just what you came here for  
And I want to hear you scream and more  
Get on your feet  
You know you can't resist (yeah)  
Let's do this

Na na na na na na  
(uh huh uh huh)

Na na na na na na  
(let's do this)

Na na na na na na  
(uh huh uh huh)

Na na na na na na

Don't call this work  
But I'm here to play  
And the real party starts backstage  
And all my friends  
They sing my song  
I wish you all  
Could come along  
To take a picture  
To show your friends  
So come on, lets do this

I turn it on  
I crank it up  
I'll show you all what I'm made of  
I'll get it loud  
I'll wear it out  
I'll bring the roof in this house down  
I know just what you came here for  
And I want to hear you scream and more  
Get on your feet  
You know you can't resist (oh)  
Let's do this

Na na na na na na  
(uh huh uh huh)

Na na na na na na  
(let's do this)

Na na na na na na  
(uh huh uh huh)

Na na na na na na

Everybody come on  
Now's the time to get loud  
Throw your hands up  
Let me hear you shout it out  
All my people let me see you  
Jumping up and down  
Let me hear the words  
You know, you know 'em, sing them out  
Freak out  
Scream, shout  
This is what it's all about  
Let me hear the words now

I turn it on  
I crank it up  
I'll show you all what im made of  
I like it loud  
I'll wear it out  
I'll bring the roof in this house down  
I know just what you came here for  
And I want to hear you scream and more  
Get on your feet  
You know you can't resist  
Let's Do This

Na na na na na na  
(uh huh uh huh)

Let's do this

Na na na na na na  
Let's do this (who)
