

Ordinary Girl

Hannah Montana

Oh yeah,
La da a da
Don't get me wrong,
I love who I am
I don't wanna be ungrateful
It probably sounds strange

I really love the role I play
The songs I sing
But with all the fame
The things that seem so simple
Suddenly, so far out of reach
Wish that they could see
That underneath

I'm just an ordinary girl!
Sometimes I'm lazy
I get bored, I get scared,
I feel ignored, I feel happy
I get silly, I choke on my own words.
I make wishes, I have dreams,
And I still want to believe,
Anything can happen in this world
For an ordinary girl!
Like you like me
For an ordinary girl
Like you like me

How are you?
Hello, goodbye
One day here,
One day there
And again it's time to go
Miss popular always on the road
Put my best foot forward
Gotta get on with the show

Strike a pose for the front
Cover of a magazine
Everywhere, I arrive I get
High five's
They paint me larger than life
Yeah!

I'm just an ordinary girl!
Sometimes I'm lazy
I get bored, I get scared,
I feel ignored, I feel happy (yeah)
I get silly, I choke on my own words.
I make wishes, I have dreams,
And I still want to believe
Anything can happen in this world
For an ordinary girl!

So give it everything
Or nothin' at all
Get back on your feet

When you stumble and fall
A little luck can go a long way
So don't you worry about
What people say
Who knows where the wind may blow
For an ordinary girl
Mmm

I'm just an ordinary girl!
Sometimes I'm lazy
I get bored, I get scared,
I feel ignored, I feel happy
I get silly, I choke on my own words.
I make wishes, I have dreams,
And I still want to believe,
Anything can happen in this world
For an ordinary girl!
Like you like me (yeah!)
For an ordinary girl
Like you like me

For an ordinary girl
Mmm
For an ordinary girl
Like me, like you
