

Who Said

Hannah Montana

I'm more than just
Your average girl.
I like to turn me up
And show the world.

Some can talk the talk
This girl just wants to rock
I'm individual
I'm not like anyone
I can be glamorous
Just like you see in all the magazines
I can be cool as ice
Or anything I wanna be!

Who said, who said, I can't be Superman!
I say, I say, that I know I can
Who said, who said, I won't be president!
I say, I say, You ain't seen nothin' yet!

Ya wanna make some noise,
Every girl has a choice.
To live their own parade
I do it my way! Ow!
I can be soft and sweet
Or louder than the radio, (radio)
I can be sophisticated or totally dull! (Totally dull!) I'm outta control

Who said, who said, I can't be Superman!
I say, I say, that I know I can
Who said, who said, I won't be president!
I say, I say

There's no holding back
When your right on track
Cuz you've been told again
So let them know your name
No limitations on imaginations
A(hold)
Imagine that!
