## **Bad News**

## **Hanoi Rocks**

Time, no sense of time No sense of no one Me and the endless sky Scenes, the fading scenes The world that I've seen A shade of transiency Heaven, back to heaven It's back on my mind Back with me Should I stay or should I stumble? Should I pray or should I run To find a place to live somehow? Time, no sense of time No sense of no one Me and the endless sky Dreams, I'm giving in Sweat on my skin A feeling so pure and clean
