

# High School

Hanoi Rocks

All the times I spent suffering in school y'know,  
Thinking I was so supercool, and baby  
All the teachers gave me so much grief  
I wanna blow 'em up just to get some relief

Sister, sister they call me a parasite  
Sister, sister they wanna bury me alive  
All day, all week, all term long  
They'd come for me hoping I'd be gone

Time made me realize,  
Why should I be victimized?  
So I took control and decided to teach

I wanna teach highschool  
highschool yeah

LISTEN

I tell the little buggers what to wear you know  
I show 'em how to set and dye their hair and baby  
There'll be no costumes at our swimming pool  
There'll be no ugly girls at my highschool

Sister, sister they call me a parasite  
Sister, sister they wanna bury me alive  
All day, all week, all term long  
They'd come for me hoping I'd be gone

Girls who are very bright  
Must stay in class all night  
and practice their biology

I love to teach highschool...  
I love to teach highschool...

1, two, 3, four, 5, six, 7  
one, 2, three, 4, five, 6, seven

Time made me realise  
That i could brutalise  
And get revenge with impunity

If I could teach highshool...

A, B, C, D, E, F, G  
How I love anatomy  
2+2 and 3+3  
Students have a ball with me
