## **High School**

## **Hanoi Rocks**

All the times I spent suffering in school y'know, Thinking I was so supercool, and baby All the teachers gave me so much grief I wanna blow 'em up just to get some relief

Sister, sister they call me a parasite Sister, sister they wanna bury me alive All day, all week, all term long They'd come for me hoping I'd be gone

Time made me realize,
Why should I be victimized?
So I took control and decided to teach

I wanna teach highschool highschool yeah

## LISTEN

I tell the little buggers what to wear you know I show 'em how to set and dye their hair and baby There'll be no costumes at our swimming pool There'll be no ugly girls at my highschool

Sister, sister they call me a parasite Sister, sister they wanna bury me alive All day, all week, all term long They'd come for me hoping I'd be gone

Girls who are very bright Must stay in class all night and practice their biology

I love to teach highschool...
I love to teach highschool...
