

## Lucky

Hanoi Rocks

I'M LUCKY, LUCKY, LUCKY  
WHEN IT COMES TO FRIENDS AND LOVE  
I'M LUCKY, OH SO LUCKY  
WHEN IT COMES TO PUSH AND SHOVE  
I can walk under ladders brave  
No black cat ever crossed my trail  
No kind of curse could get to me  
Only good's gonna come my way  
I was born in a video arcade  
Graduated to a poolhall shark  
Then I was off betting on horse races  
Always been a winner, always been a star  
I'M LUCKY, LUCKY, LUCKY  
WHEN IT COMES TO FRIENDS AND LOVE  
I'M LUCKY, OH SO LUCKY  
SOMEONE LOVES ME UP ABOVE  
I was lucky for quite a while  
But then again I only played with dimes  
Mistaken once, but never twice  
I never lose when I roll the dice  
I'm blessed, but I'm a mess  
My best friend could be the Roulette  
Some sink and some grow wings  
You know, we all got the answers deep within  
I'M LUCKY, LUCKY, LUCKY  
WHEN IT COMES TO FRIENDS AND LOVE  
I'M LUCKY, OH SO LUCKY  
WHEN IT COMES TO PUSH AND SHOVE  
I'm lucky, so lucky  
Lucky when it comes to friends and love  
Someone really loves me up above  
Yeah!  
I'M LUCKY, LUCKY, LUCKY  
WHEN IT COMES TO FRIENDS AND LOVE  
WE'RE LUCKY, OH SO LUCKY  
WHEN IT COMES TO PUSH AND SHOVE  
We're lucky, so lucky  
Lucky when it comes to friends and love  
Someone really loves me up above  
I'm lucky!  
When it comes to friends and love.
