Magic Carpet Ride

Hanoi Rocks

i'm gonna take a ride on a magic carpet, gonna fly back to you i'm travelling in time through black and stormy skies my mission is a mystery, i'm recreating history i'm following the stars across the misty hills and the sea its a long way into your heart, when a million miles keep us ap art i'm on the edge of ecstacy, my carpet is my dream mobile i do it over, do it over, do it over, one more time and i make it better, make it better, make it better, day by da У when the paradise is burning, the heaven comes tumbling down... on me my carpet is my deam mobile, it takes me away, takes me away no one's seen what i have seen and no ones been where i have be en i do it over, do it over, do it over, one more time and i make it better, make it better, make it better, day by da V magic carpet ride, magic carpet ride, magic carpet ride ***Andy mumbles something here*** i do it over, do it over, do it over, one more time and i make it better, make it better, make it better, day by da У magic carpet ride, magic carpet ride i'm on a magic carpet ride, magic carpet ride, magic carpet rid е i fly, i fly, i fly far away
