

# Shake Hands With The Sun

Hans Theessink

Bye bye to the concrete, gotta leave the town  
Bye bye to the concrete, gotta leave the town  
Don't want no city hounds and foxes, always dog me 'round

Days are getting longer  
Light is getting stronger  
You can feel the warm sunshine  
Goodbye blues, hello summertime

I'm gonna sit on the hillside, let the time roll by  
I'm gonna sit on the hillside, let the time roll by  
Watch the birds and the bees  
And the flowers and the trees  
With my feet down in the valley  
And my head up in the sky

Days are getting longer  
Light is getting stronger  
You can feel the warm sunshine  
Goodbye blues, hello summertime

Listen to me mama, let me tell you what we do  
If you come along with me, I will sing for you  
We won't have to worry, how to get our daywork done  
We gonna talk to the moon, shake hands with the sun

Days are getting longer  
Light is getting stronger  
You can feel the warm sunshine  
Goodbye blues, hello summertime
