## **Broken Arrow**

## **Hans Zimmer**

Who else is gonna bring you a broken arrow Who else is gonna bring you a bottle of rain There he goes moving across the water There he goes turning my whole world around

Do you feel what I feel
Can we make it so thats part of the deal
I gotta hold you in these arms of steel
Lay your heart on the line this time

I wanna breathe when you breathe When you whisper like that hot summer breeze Count the beads of sweat that cover me Didnt you show me a sign this time

Who else is gonna bring you a broken arrow
Who else is gonna bring you a bottle of rain
There he goes moving across the water
There he goes turning my whole world around, around

Do you feel what I feel
Do you feel what I feel
Ah can you see what I see
Can you cut behind the mystery
I will meet you by the witness tree
Leave the whole world behind

I want to come when you call
Ill get to you if I have to crawl
They cant hold me with these iron walls
We got mountains to climb, to climb

Who else is gonna bring you a broken arrow Who else is gonna bring you a bottle of rain There he goes moving across the water There he goes turning my whole world around Turning my whole world around
