

# Dying to Be Alive

Hanson

Well I heard you crying  
Somebody stole my soul.  
How could I be dying?  
I turned 25, days ago.

We're all  
On the ground,  
Crying out.  
Somebody save me please.  
I won't sit aorund just thinking about,  
The troubles that tommorrow brings  
Yeah

I'm dying to be alive, yeah.  
I'm dying to be alive, yeah.  
Lets not go through our lives.  
I'm just dying to be alive.  
Yeah.

The people you've touched,  
The way you've touched them  
I hope they've touched you too.

'Cause in this life,  
It's hard to tell.  
What is false and what is true.

We're all  
On the ground,  
Crying out.  
Somebody save me please.  
I won't sit aorund just thinking about,  
The troubles that tommorrow brings  
Yeah

We're all  
On the ground,  
Just crying out.  
Somebody save me please.  
I won't sit around just thinking about  
The troubles that tommorrow brings

I'm dying to be alive, yeah  
Not trying to just survive, yeah.  
Lets not go through our lives.  
I'm just dying to be alive.  
Yeah.

And we all come,  
Tumbling down.  
No matter how strong,  
We all return to the ground  
Another day gone,  
A day closer to fate.  
Soon we'll find it's  
A little too late.  
Too late.

Na Na Na-na  
Na Na Na-na  
Na Na Na-na Na  
Na Na Na-na  
Na Na Na-na  
Na Na Na-na na

The things you see,  
The way you see them.  
Will never been seen again  
To go through life,  
Livin' on luck.  
Betting ten thousand to ten.  
Yeah  
Mistakes I've made  
In this life.  
Can't even see why I win.  
But the thing that's strange is  
You only live once.  
And never look back again.

Yeah  
I'm dying to be alive, yeah  
Not trying to just survive, yeah.  
Let's not go through our lives.  
I'm just dying to be alive.  
Yeah.

Dying to be alive, yeah  
Not trying to just survive, yeah.  
Let's not go through our lives.  
I'm just dying to be alive.  
Yeah.

And we all come,  
Tumbling down.  
No matter how strong,  
We all turn to the ground.  
When the day's gone,  
Say "why did i wait?"  
Can't just leave your  
Life to fate.  
Gotta turn it 'round  
Before it's too late.
