

# Get the Girl Back

Hanson

She's about to walk away  
So if you're gonna make her wanna stay  
Tell her she's your moon and sun  
Tell her that she's always been the one  
You've gotta say it from the heart  
'Cause she will know a fake right from the start  
A girl like that deserves the best, oh yeah!  
So you've got to show her (show her!)  
That you're not like all the rest

It's about time that you put your cards back on the table  
It's about time that you show her you're willing and able  
It's about time that you get the girl back  
That you get the girl back on your side, ooh  
You've got to get the girl back, get the girl back

You've got to get the girl back

Tell her she was always right  
You were in the wrong, you can't deny  
'Cause once she's caught somebody's eye  
It will be too late to apologize  
Before she shuts you out, oh yeah!  
You've got to tell her (tell her!)  
Tell her that there is no doubt

It's about time that you put your cards back on the table  
It's about time that you show her you're willing and able  
It's about time that you get the girl back  
That you get the girl back on your side, ooh  
You've got to get the girl back, get the girl back

You've got to get the, you've got to get the girl back  
Together!

You've got to get the girl back, get the girl back, back on your side  
Get the girl back, get the girl back, got to, got to  
Get the girl back, get the girl back, back on your side  
Get the girl back, get the girl back

Cause it's, it's about time, you've got to get her back  
It's about time, ooh woah no, ooh woah no  
Get the girl back, get the girl back, back on your side  
Get the girl back, get the girl back, back on your side  
Get the girl back, get the girl back, back on your side  
Get the girl back, you've got to get the girl back!
