

# I've Been Down

Hanson

I've been down  
I've been down  
I've been down before  
I've been down  
I've been down  
But never this low  
I've been down  
I've been down  
I've been down before  
I've been down  
I've been down  
But never this low

You know that even a strong man falls  
And even a wise man has to learn  
Ooo Ooo Ooo  
Yes it's true that some men have it all  
While me and the rest just crash and burn  
Ooo Ooo Ooo

You keep telling me something  
But I heard it once or twice  
You've been taking every turn wrong  
I've been taking your advice

I've been down  
I've been down  
I've been down before  
I've been down  
I've been down  
But never this low  
I've been down  
I've been down  
I've been down before  
I've been down  
I've been down  
But never this low

I know the day will come  
When all my worries now are dead and gone  
Ooo Ooo Ooo  
But assume tomorrow by what's gone  
But I'll be right here holding on  
Ooo Ooo Ooo

Well, you keep telling me something  
But I've heard it once or twice  
You've been taking every road that's wrong  
And I've been taking your advice

I've been down  
I've been down  
I've been down before  
I've been down  
I've been down  
But never this low  
I've been down

I've been down  
I've been down before  
I've been down  
I've been down  
But never this low

Said Oooooo  
Said Ooooooo  
Never this low

I've been down  
I've been down  
Said ooooo  
I've been down  
I've been down  
Never this low  
I've been down  
I've been down  
No no no no oh yeah  
I've been down  
I've been down  
Oh yeah

Sing it now  
I've been down  
I've been down  
I've been down before  
I've been down  
I've been down  
But never this low  
I've been down  
I've been down  
I've been down before  
I've been down  
I've been down  
But never this low
