In a little while
Surely you'll be mine
In a little while I'll be there

In a little while
This hurt will hurt no more
I'll be home, love

When the night takes a deep breath And the daylight has no end If I crawl, if I come crawling home Will you be there

In a little while
I will blow by every breeze
Friday night running
To Sunday on my knees

That girl, that girl
She's mine
And I've know her since
Since you were a little girl
With Spanish eyes
Oh, when I saw her
In a pram they pushed her by

My how you've grown Well it's been It's been a little while

Slow down my bleeding heart
Man dreams one day to fly
A man takes a rocketship into the skys
He lives on starlets dying in the night
And follows in the trail
The scatter of light

Slow down my bleeding heart Slowly, slowly love Slow down my bleeding heart Slowly, slowly love Slow down my beating heart Slowly, slowly love
