

## Peace on Earth

Hanson

Do you know the reason for the season?  
How the heavens came down to the earth  
Bringing hope for all who will receive it  
A sacrifice that forever changed the world

And the shepherds and kings  
They would sing out rejoicing  
And they fell to their knees  
When they heard the angel's voices

Singing peace on earth  
Good will towards men  
There's a newborn king  
Born in Bethlehem

Do you know the reason for the season?  
A star that's shown for all who will believe  
A holy child swaddled in a manger  
A love that no man ever could conceive

And the shepherds and kings  
They would sing out rejoicing  
And they fell to their knees  
When they heard the angel's voices

Singing peace on earth  
Good will towards men  
There's a newborn king  
Born in Bethlehem

All the stories tell  
How they followed the star  
On the first Noel  
On the first Noel

Peace on earth  
Good will towards men  
There's a newborn king  
Born in Bethlehem

Do you know the reason for the season?
