

# Til New Years Night

Hanson

I got my invitation December 25  
Split a taxi with an eskimo to North Pole Drive  
Told the driver I don't want to be late  
Can you go a little faster drop me off at the gate  
I need a totty for my body 'cause baby it's cold outside

Knocked on the door, hello Mrs. Claus, ruby red lips like the Wizard  
of Oz  
Two wooden soldiers they're checking the list  
And everybody's dancing to the peppermint twist  
Gonna do it right, this ain't no silent night

Once we get Santa on his sleigh, on his sleigh  
We play rock 'n roll from Christmas til New Years Day  
One week a year we do it right, do it right  
We play rock 'n roll from Christmas til New Years Night  
Rock 'n roll  
Rock 'n roll

Somebody please spike the eggnog bowl  
Cause we need some lubrication for this rock 'n roll  
This's so hard, I step down [?]  
So many Christmas goodies I can't help myself  
Saying ho, ho, ho under the mistletoe

And once we get Santa on his sleigh, on his sleigh  
We play rock 'n roll from Christmas til New Years Day  
One week a year we do it right, do it right  
We play rock 'n roll from Christmas til New Years Night  
Rock 'n roll  
Rock 'n roll  
We play rock 'n roll from Christmas til New Years Night, yeah, c'mon.  
..

Rudolf's playing reindeer games  
Nick is shouting out their names  
Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner, Blitzen  
Santa's coming down the chimney  
Everybody sing it with me

Once we get Santa on his sleigh, on his sleigh  
We play rock 'n roll from Christmas til New Years Day  
One week a year we do it right, do it right  
We play rock 'n roll from Christmas til New Years Night  
Rock 'n roll  
Rock 'n roll  
Rock 'n roll  
Rock 'n roll  
We play rock 'n roll from Christmas til New Years Night
