Two Tears

Hanson

Oh whoa
Yeah yeah
I'm sorry if I made you cry
I'm sorry if tears fell from your eyes
I'm sorry if I hurt you
For that was not at all what I intended to do

But just remember
For every tear that falls
From your eyes
Two tears fall from mine
Yeah
Two tears fall from mine
(From mine)
Two tears fall

I never wanted to hurt you baby
I never wanted those tears to fall
I never wanted to make you cry
I guess I should have taken a little more time

I'm sorry if I made you cry
I'm sorry if tears fell from your eyes
I'm sorry if I hurt you
For that was not at all what I intended to do

But just remember
For every tear that falls
From your eyes
Two tears fall from mine
Yeah
Two tears fall from mine
(From mine)
Two tears fall

For every tear that you cry
Two tears fall from mine
For every tear that you cry
Two tears fall from mine

For every tear that you cry
Whoa
For every tear that you cry
Two tears fall from mine
