

Wake Up

Hanson

Wake up, tell me it's alright,
Wake up, cause I just wanna hold you tight,
Wake up, and tell me its alright
Oh yeah, ooh

It doesn't matter,
You've got all that you need,
It doesn't matter,
You've got everything, you see,
It doesn't matter,
You've got anything you please,
But you don't have me.
It doesn't matter,
You've got all that you need,
It doesn't matter,
You take everything, you see,
It doesn't matter,
You've got anything you please,
But you don't have me.

Why, do you close your eyes so tight,
When you're kissing him goodnight?
You make believe the face,
Just to try to fill the space.

Wake up, tell me it's alright,
Wake up, cause I just wanna hold you tight,
Wake up, tell me its alright,
Don't you ever wonder what you're looking for.
Wake up, tell me it's alright,
Wake up, cause I just wanna hold you tight,
Wake up, tell me it's alright,
Don't you ever wonder what you're looking for,
Don't you ever wonder what you're looking for,
Cause you don't have me.
No you don't have me

'I wish I had her'
Are the words that I say,
It doesn't matter,
She's got all that she needs,
I'm looking forward to how lonely I will stay
Cause you don't have me.
Will it matter when you're on your own,
Will it matter when you're all alone,
Will it matter when you stop and smell the breeze,
And you don't have me.

Why, Do you close your eyes so tight,
When you're kissing him goodnight,
You make believe the face,
Just to try to fill the space.

Wake up, Tell me it's alright,
Wake up, Cause I just wanna hold you tight,
Wake up, Tell me its alright,
Don't you ever wonder what you're looking for,

Wake up, Tell me its alright,
Wake up, Cause I just wanna hold you tight,
Wake up, Wake up,
Don't you ever wonder what you're looking for,
Don't you ever wonder who you're looking for,
Cause you dont have me yeah,
No you dont have me yeah.

Doo doo da, doo doo da, doo doo
No, you don't have me
Doo doo da, doo doo da, doo doo
No, you don't have me yeah
Doo doo da, doo doo da, doo doo
No, you don't have me yeah
Doo doo da, doo doo da, doo doo da
No, no you don't have me

So wake up, Tell me it's alright,
