

# O Gemini 31

Hanzel und Gretyl

Dysfunction  
In the face of chaos  
In the face of chaos  
In the face of chaos

O Gemini 31

Swallow my Venus  
In the face of chaos  
In the face of chaos  
In the face of chaos

O Gemini 31  
Outer mind extension  
Zapped into the phantom nation  
To the galaxies of madness  
Away away away---stop go stay---
