

We've been courteous
I like that, turn it up
I like that, turn it up
It was mad cyril
It was mad cyril
I like that, turn it up
Although our music and our drugs stayed the same,
Although our music and our interests are the same,
We've been together, fuckers from the well,
We've smoked together and we slipped down in hell,
Hell.
Wants me,
Hell,
wants you back.
Although our music and our drugs stayed the same,
Although our interests and our music stayed the same,
We've went together, druggers from the well,
We've smoked together and we slipped down in hell,
Hell.
Needs me,
Hell,
wants me oh
Are you ready?
Lets go.
Are you ready?
What about the detector vans, they be right with you?
Lets go.
Give me give me give me, give me give me give me, a
break.
Give me give me give me, give me give me give me, a
break.
Hell,
Fuck about everything allowed,
Hell,
Fuck about everything.
Although our music and our drugs stayed the same,
Although our interests and our music stayed the same,
We went together, druggers from the well,
We've smoked together and we slipped down in hell,
Put the frighteners on the flash little twert
Let's have a look, let's have a look, excuse me, but
Come in!-take a look, take a look.
Its a right pisshole, long hair, beatniks, druggers,
freeloaders, tsk, freeloaders.
I need a bohemian atmosphere
I like that, turn it up
