

Sunshine And Love

Happy Mondays

If im being sneaky Well sometimes just freak me out Your voice
starts to eat me Its time for me to leave it now Love it or lea
ve it now The tricks that your churn when you move like a worm
When your bad talking don't learn how to live Ohh, we like to t
ake credit for this We'd love to take thanks ourselves for this
I cant get enough of your sunshine I cant get enough of your l
ove Your love and sunshine Sunshine and love The bad vibes so m
oody

When it should just move me So get me an uzi and someone to use
it who smiles The tricks that you pull when things get too dul
l There'll be heads on the table for tea Your not shown how to
move like a worm That's a life you wont let yourself learn So l
ove it don't leave it just talk it and breathe it For christ sa
ke you'll need it Believe it you'll need it like me Believe it
or need it like me And if pigs could fly Well you might cry The
re'll be heads on the table for tea You'll just stay in your fa
vourite room Playing with your deepest wound I said hail Mary,
full of grace, where did you get your angel face I cant get eno
ugh of your suntan lady
