

Uncle Dysfunktional

Happy Mondays

I'm flying,I'm frying
I'm toasting,I'm roasting
I like it,I like
I love the dysfunktional
I love the dysfunktional,uncle
I love,I love the dysfunktional
Cast the cast,three times
I like to make you feel uncomfatable
Cast the cast,three times
Got the floor.....we're dysfunktional
Really made-up
Oh,I love the dysfunktional
I love,I love the dysfunktional
Frying there,digging the dare
Fools got a gun
Flying,flyingaway
In a week and a day
Freeze there colour
Flying [Ah stewardess can you go & get me another
bottle of dysfunctional]
I like it,I like
I love,I love the dysfunctional
Dysfunctional,uncle
I love,I love the dysfunctional
Catch the cast,three times
I like to make you feel uncomfortably
Catch the cast,three times
On the floor.....we're dysfunktional
Bringing my unkle
Oh,I love the dysfunctional
I love,I love the dysfunktional
Flying,flying away
In a week and a day
The food is dead gooooooooood
Flying
Freeze there guns
We're flying,man
Flying
Flying non-stop (2x)
Flying straight
Flying baby
Flying baby
Flying man
Flying baby (To fade)
