

Weather

Happy Mondays

Oh it's hot man
Yeah, it's fucking hot
What did you say how hot it is
I said it's fuck off hot
It's a long camera
It's a quantam leap to the beach
It's a long camera (I can see for miles)
It's a quantam leap to the beach
Is it too hot, for Speedo's
You've got what I've got and
I've got what you've got and
He's got what I want and
I've got what you want,
what we got
Somebodies else's weather
Somebodies else's weather or not
Some fucker else's weather
Somebodies else's weather, man
It's a one hammer (one hammer away from the beach)
It's a one, one hammer
Is it too hot, even for Speedo's
You've got what I've got and
I've got what you've got and
He's got what I want and
I've got what you want,
what we got
Somebodies else's weather
Somebodies else's weather or not
Some fucker else weather
Somebodies else's weather, man
Somebodies else's weather, woman, man
Whatever
You've got what I've got and
I've got what you've got and
He's got what I want and
I've got what you want,
what we got
Somebodies elses weather or not
Some fucker elses weather
Somebodies else's weather, man
